

Form 10 Application for Locally Experienced Practitioner Program

Architects
Act 2003
s16, 17, 20

Use this form if you have successfully completed the
Locally Experienced Practitioner Program (LEP)

The Program

The LEP provides an alternative pathway to
registration for graduates of Australian accredited
architecture programs with relevant experience at
executive level in complex projects.

Successful completion of this program allows
applicants to bypass the Architectural Practice
Examination (APE) and apply directly for
registration as an architect with the NSW Architects
Registration Board.

Read the Information Sheet for LEP for further
information about the Program.

Submit applications directly to
mail@architects.nsw.gov.au

The NSW Architects Registration Board (NSWARB)

The NSW Architects Registration Board is the
statutory authority established by the Government
to administer the NSW Architects Act.

Architects are bound by the NSW Architects Code
of Professional Conduct embodied in the
Regulations under the Architects Act.

The NSW Architects Registration Board does not
accept any liability to any person for the
information or the use of this information. Any
person requiring an interpretation of the meaning
of the Architects Act or Regulations should seek
their own advice from a legal practitioner.

NSW Register of Architects

Only persons registered can use the title
“architect”. Registration is renewed annually.

The Board publishes the NSW Register of
Architects and List of Architect Corporations and
Firms. The registration status of an individual can
be checked by on the Board's website
www.architects.nsw.gov.au or by contacting the
Board's office.

The Architects Accreditation Council of Australia (AACA)

The Architects Accreditation Council of Australia
(AACA) is a national organisation comprising
representatives from all States and Territories
registration boards.

The AACA promotes national standard for
registration of architects throughout Australia and
is responsible for the assessment of overseas
qualifications in architecture.
